As we continue to learn about the novel coronavirus, it is important you ensure your business is following recommended guidelines for preventing the spread of COVID-19. Be informed on what steps you can take to help reduce exposure. Also look for tips on how to prevent stigma and discrimination in the workplace and how to prepare for a potential outbreak.

- Perform routine environmental cleaning and disinfection on frequently touched surfaces i.e., keyboards, telephones, doorknobs
- Support respiratory etiquette and hand hygiene for employees, customers, and worksite visitors
- Consider establishing policies and practices for social distancing
- Actively encourage sick employees to stay home
- Identify where and how workers might be exposed to COVID-19 at work
